

JET35 ALUMNI REUNION

Supporter Opportunities

Friday, May 20–Sunday, May 22, 2022
Motif Seattle | Seattle, WA

On May 20–22, the US JET Alumni Association (USJETAA) will bring together 120-150 former participants in the Japan Exchange and Teaching (JET) Program for the JET35 alumni reunion conference. This commemorates the 35th anniversary of the JET Program, which was launched in 1987. It will serve as a catalyst for deepening networks among the nearly 40,000 JET alumni in the United States, highlight how they utilize their experiences as "grassroots ambassadors" in Japan to contribute in a range of fields from the arts to entrepreneurship to international relations, and revitalize their engagement in US-Japan relations.

Attendees span several generations, from those in their 20s who recently returned from the JET Program to ones in their late-50s who taught in Japan in the 1980s. The three-day event includes speaker panels with prominent JET alumni and other US-Japan leaders, workshops, local excursions, a "Japan Expo," and a "Haru Matsuri" reception. USJETAA is seeking charitable sponsorship from businesses and other organizations to cover partial costs of hosting the event.

Reunion Benefactor (\$25,000)

- Ten complimentary (10) reunion registrations, plus discounted rate on additional registrations
- Speaking opportunity during event
- Banner displayed during event, prominent recognition in event program, including full-page logo and tagline/description, and on event website

About USJETAA: USJETAA was founded in Washington DC in 2015 to build networks among JET Program alumni, develop their leadership, 'bring Japan home' by fostering education and understanding of Japanese culture in the United States, and help alumni contribute to US-Japan relations. USJETAA is collaborating with JET alumni around the country and the Pacific Northwest JET Alumni Association to organize the JET35 alumni reunion.

Tax Deductibility: USJETAA is a tax-exempt 501(c)(3) nonprofit organization and donations to it are tax-deductible as permitted by US law. The good faith estimate of the fair market value of goods and services the donor receives in return for their JET35 donation is \$250 per conference registration. The remaining is the amount that may be eligible for a tax deduction. Donors have the option to decline included registrations to preserve the full tax deductibility of their donation.

Contact: Please contact reunion@usjetaa.org for more information.
